

2010 Football Online Student Ticket Distribution

Below are detailed instructions for the 2010 Online Student Football Ticket Distribution. Follow the instructions below to log into your student ticket account, request tickets and print tickets at home.

Requesting Student Tickets within the Lottery

Once logged into your student ticket account, you can register for the games you would like to attend. Registration will be available starting September 13th for the 2010 Football season. At this point in time, both the East Carolina Football Game on October 2, 2010 and the NC State Football Game on November 20, 2010 will require a student ticket distribution.

- To request tickets for a game, click on the name of the game.
- A preloaded default quantity of "1" will be in the request quantity box, click "Add to Cart." Next, enter the appropriate Word Verification characters and click "Continue." By doing this you are telling the CAA you have interest in coming to the game.
- To request tickets for additional games, click on "Continue Shopping," and repeat the same steps for each of the other games for which you wish to register.
- Once you have chosen all the games that you are interested in attending, click on "Check Out."
- On the next page once again verify your e-mail address, check the box to agree with the "Terms and Conditions" and click "Submit." There is no charge for Student Tickets.
- Be sure to fully complete the previous steps to ensure your request has been processed.
- Upon completion of your online order, you will receive an e-mail confirming your request. If you do not receive a confirmation email in your inbox, be sure to check you spam filter and junk mail folders first, and then contact the ticket office. The ticket office phones are on Monday through Friday between 8:30 am and 4:30 pm or you can email studenttickets@unca.unc.edu (Keep in mind this email address is only monitored during the day, so any email sent at night will be answered the next business day).

You will be notified via e-mail if you are or are not randomly selected from the lottery for a game that you requested. If you were randomly selected you will receive your student tickets in that email (**this is different from previous years**).

PLEASE REMEMBER-

- By going through this process, you are entered into the Student Ticket Lottery for each game you choose.
- You will be notified via e-mail prior to the game if you have been randomly selected to obtain tickets to that game (see Distribution Timeline for actual dates and deadlines).
- The order in which students request tickets has no bearing on who is randomly selected to receive tickets. There is no advantage to being the first, nor is there a disadvantage to being the last student to request tickets.
- **Entering the lottery process does NOT guarantee a ticket to any game.**
