Website Privacy Statement

Electronic Payments

It is the intent of the University of North Carolina Athletic Ticket Offices not to use the ACH system for transactions in violation of the U.S. Law, including the sanctions administered by the Office of Foreign Assets Control (OFAC). It is also the intent of the agency to be in compliance with the "International ACH Transaction (IAT) rules" that are part of the NACHA Operating Rules. Accordingly, all payments made through this website are intended only for payments not associated with a foreign bank account, which would classify it as an "International ACH Transaction (IAT)" under the NACHA Operating Rules.

Since the website's payment application does not accommodate IAT transactions, payors that would be considered an IAT payor should use some other method of remitting funds to the agency. Alternative forms of payment would include check or credit card.
